

CONNECT Group Study Guide: The Hope Of The Resurrection.

1. Luke 24:1-6

The angels ask the women who visit the tomb why they are looking for the living among the dead.

How do followers of Christ at times confine Jesus to the tomb rather than live in the power and hope of His resurrection?

2. John 20:13

Like Mary, many people today are filled with despair, discouragement and doubt as they struggle with the question “where is Jesus?” in the midst of their challenges. What hope can be found in the resurrection and ascension of Christ?

3. John 14:1-3

Jesus comforted his disciples with the promise that he was going to prepare a place for them. As a follower of Christ, how can this truth inform the way you live your life here on earth? What hope does it give you for when this life is over?

Many people today assume going to heaven to be with God is an entitlement. How do you explain that to have a place in the Father’s house/heaven is a privilege not a right?
