

## Connect group Study guide: 7 Awe inspiring truths about God.

---

*“The secret things belong to the Lord our God, but the things revealed belong to us and to our children forever, that we may follow all the words of this law.” (Deuteronomy 29:29 NIV)*

The Lord grants us revelation to aid us in our walk with Him. Such revelations are for us and for our family (church family included) forever. In my walk with God and especially in the 7 years of leading New Life Church, I have discovered some awe inspiring truths about God that have greatly help transform my relationship with God.

God invites us into a relationship and a journey with Him when we are born again; it is through this that he reveals who He is and what His will for our life is to us. Below are 7 truths about God I have discovered that have transformed my walk with Him. Please share with each other the truths you have discovered about God that have transformed your relationship with Him (please back these up with Scripture).

Also discuss the question below and share things you intend to do following the meeting to gain more knowledge of The Holy One.
