

## Connect Group Study Guide: A Call To Harmony.

---

1 Peter 3 throws up some very challenging truths and expectations. Non-the-less, the central message of this chapter is very clear. In view of God's great mercy towards us in that, Christ suffered once for sins, the just for the unjust, that He might bring us to God, we should endeavour to live in harmony in these three areas:

- Harmony in our marriages
- Harmony in our Churches
- Harmony in society

In view of this, it is important that we allow the words of this chapter to challenge us to make every effort to live up to God's expectations in these areas. In and of ourselves we would be unable to but with the help of the Holy Spirit, I have no doubt that we will succeed.
