## THE IMPORTANCE OF WORSHIP

This Sunday we felt led to stay in an extended time of worship. It was an amazing time in God's presence and as a result, there was no time for the sermon. When we get into God's presence like this, we have to be prepared to leave aside our agenda and get into His agenda.

Many have commented on how God moved for them personally and it would be great to share some of those experiences. God bless you and abide in His presence always.
