THE COST OF FOLLOWING JESUS CHRIST

Read Luke 9:57-62 and discuss the following Question. Where necessary use other scripture references to explain your point.

1. When we come to Jesus, do we recognise Him truly as Lord or do we call Him Lord simply as a term of respect. **Luke 6:46-49**
2. **Verses 57-58** - Do we count the cost of following Jesus or do we use Him as a means of acquiring more things in this world?
3. **Verse 59-61** - How do we allow things in our lives that are dead or dying to hold us back from fully following Jesus?
4. **Verse 61-62** - Do we fully commit to following Jesus when we become Christians or are we still enticed by the things of this world?
